

CORPORATE PROFILE

Connect peace of mind.
Hold the city.

Precision spring manufacturer

KOYO Co., Ltd.

**We will take a great leap
by connecting peace of mind
and supporting the city.**

Management Philosophy

"Roppo-yoshi"

**Being a company that contributes to society and is
needed and appreciated,**

**we believe it will lead employees' and their family's
happiness.**

**We will aim at realizing the prosperous society
connecting society and people through manufacturing.**

"Roppo-yoshi (Six way satisfaction) " is our philosophy which combines
"good for the seller, good for the buyer, and good for the society" with the
addition of "good for the creator, good for the earth, and good for the
future."

We believe that a company can grow sustainably into the future only by
providing value that satisfies not only customers and employees, but also
society and the global environment.

KOYO's Concept

New Try & Quick Response for Customer

We believe that customers come first.

Each one of our employees does not stick to traditional ways, but
pursues rationality, takes on the challenge of "new ideas" and "new
manufacturing processes", and always wants to be useful to our
customers under the slogan of quick reaction in everything.

KOYO's Commitment. Three [MAKE]

[MAKE] BETTER

We make good products by working on improving everyday.

[MAKE] NEW

We always study and create new things with efforts.

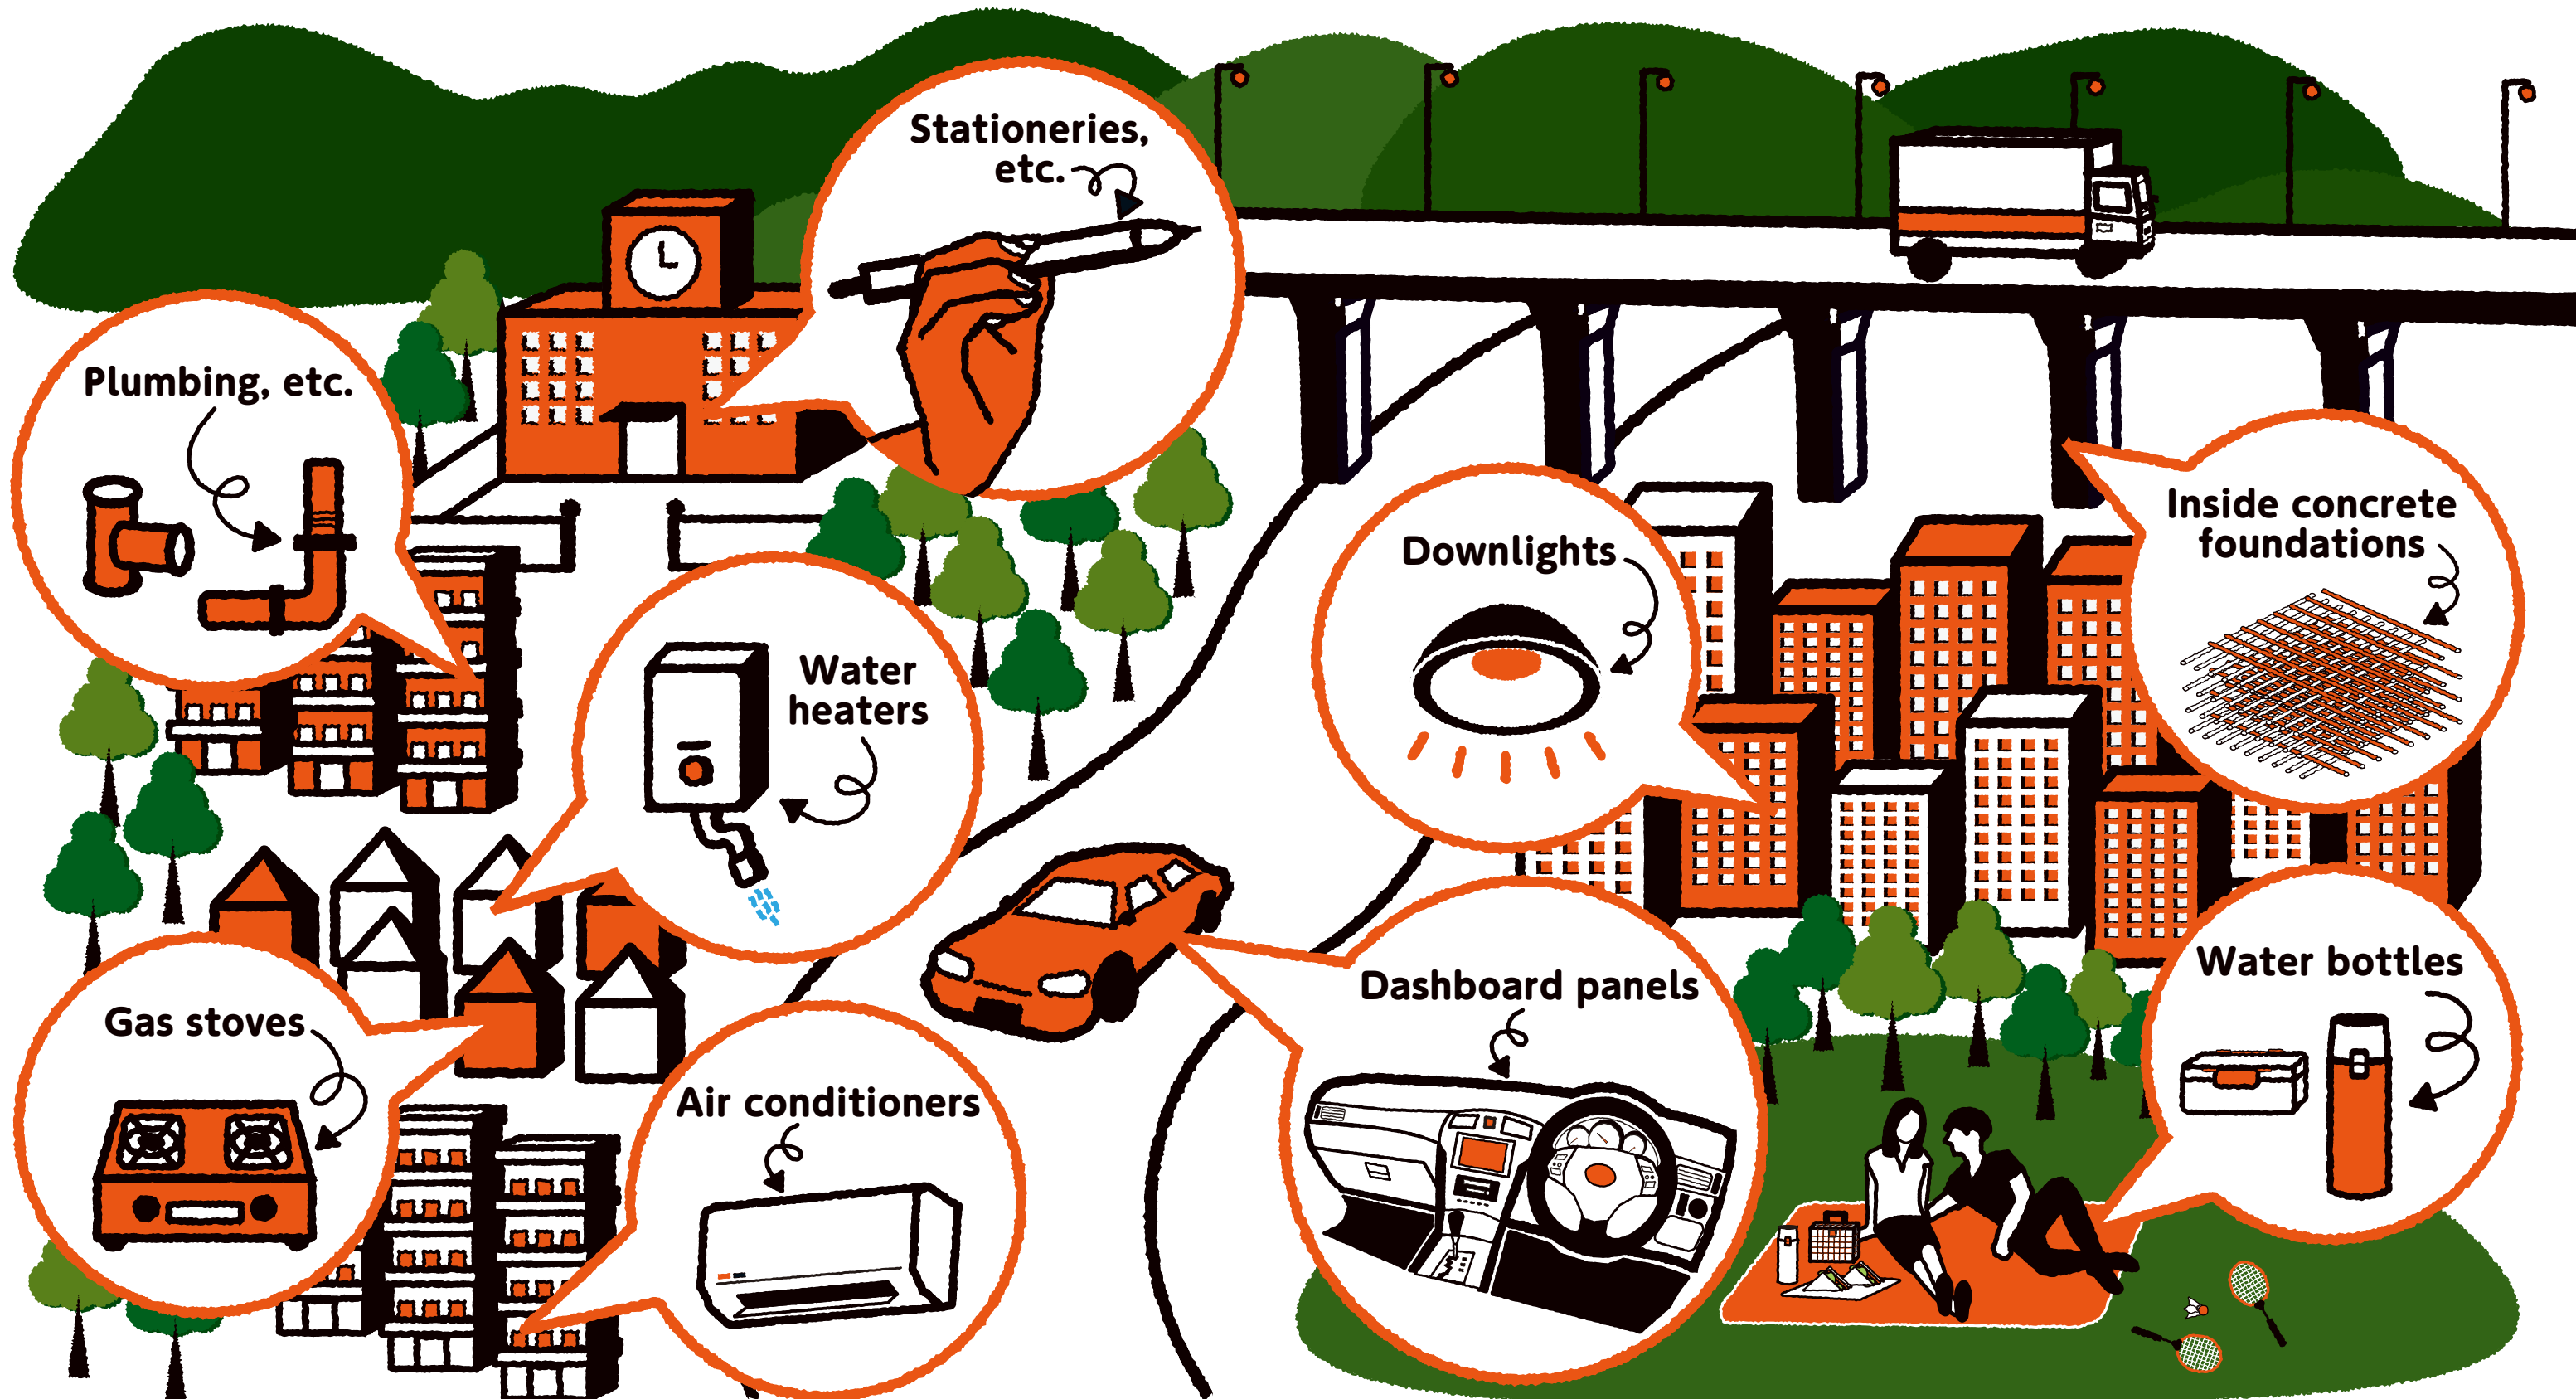

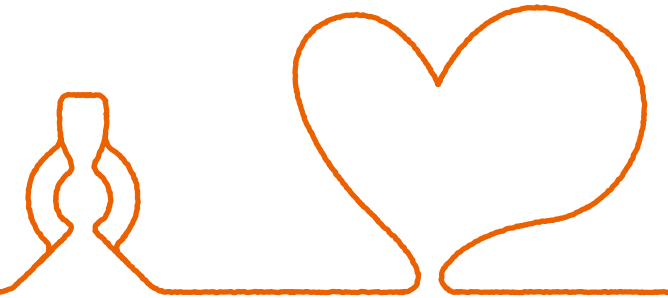

[MAKE] DIFFERENCE

We try for our own unique and unrivaled products.

Even in places like these!

Springs are also used in such unexpected places like these.

Our products connect peace of mind and support the city.

Springs are used in various applications;
connecting, fastening, tightening.
We will respond to customers' requests.

BANK

- The Bank of Kyoto, Ltd. (HIGASHI OSAKA BRANCH)
- Resona Bank, Limited. (HIGASHI OSAKA BRANCH)

CEO

Ishiwari Motoki

CAPITAL

¥10,000,000

ESTABLISHMENT

1966 MAY

OUR BUSINESS

- Design, Development & Manufacure of smalll precision springs
- Development, manufacture and Die design for flat springs and metal stamping products
- Assembling

FIELD OF APPLIANCE

- Gas heater parts
- Automotive parts
- Parts for home appliances and industrial equipments

EQUIPMENTS

■DIES

Wire electrical discharge machining units 3 units
3D CAD(SOLIDWORKS) 2 units
2D CAD • CAM(Speedy mill/Win) 2 units
Auto surface grinding machines 2 units
Surface grinder 1 units
Milling machine 1 units
Lathe machine 1 units
Desktop drilling machine 4 units
EDM hole drilling machine 1 units

■FLAT SPRING MACHINES

Multi forming machines (ZUB200) 10 units
Multi forming machines (ZUB220) 4 units
Multi forming machines (RF-20) 3 units
Multi forming machines (RF-60) 5 units
NC forming machines (SF150-25B) 1 units

■COIL SPRING MACHINES

NC wire forming machines 4 units
NC coiling machines (Compression springs) 6 units
Cam coiling machines (Compression springs) 4 units
Cam coiling machines (Tension springs) 1 units

■TESTING EQUIPMENTS

Digital image measuring machines 3 units
Projection measuring machines 3 units
Spring testers..... 3 units

■POST-MACHINING EQUIPMENTS

Conveyor type low temperature annealing furnace... 8 units
Degrease machine 1 units
Rotary barrel polishing machine 2 units
Spring grinding machine (spring end grinder) 1 units
Weighting multiscale 4 units

COMPANY HISTORY

1966 MAY Foundation of `KOYO SPRING FACTORY`
Starts as a precision coil springs and installed press machine.

1970 APR Starts Multi forming machine for manufacturing flat springs.

1973 FEB ZUB multi-forming machine introduced.

1979 MAR New company building completed(Nunoichi).

1979 JUL Reorganized into KOYO Spring Group.

1990 MAR Name changed as KOYO COMPANY LIMITED.

1997 MAR QUICK FASTENER with different diameter" debuts.

2006 JAN Started online shopping division ECS COMPANY PVT.LTD.

2006 FEB 22nd Higashi-Osaka City Excellent company award is granted.

2006 OCT Obtained ISO 14001:2004 Certification.

2010 OCT Obtained ISO 9001:2008 Certification.

2012 NOV "CROWN"debuts.

2013 AUG "TIARA"debuts.

2015 JAN Solar power generation equipment is installed.

2017 FEB "QUICK FASTENER with Plastic cover"debuts.

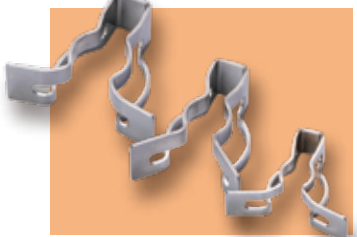

2017 OCT Obtained ISO14001:2015 Certification, ISO9001:2015 Certification.

2020 FEB Osaka"Monozukuri"Excellent company award is granted.

2020 MAR Registered as a Youth Yell Certified Company.

New company building completed (Nunoichi) (1979)

"QUICK FASTENER with different diameter" debuts (1997)

"CROWN" "TIARA" debuts (2012/2013)

"QUICK FASTENER with Plastic cover" debuts (2017)

Connect peace of mind. Hold the city.
